¹ Note that a placement in the Qualifications Framework according to this concept does not mean that the programme is a degree programme or that it corresponds to a full ordinary education at the same level. Programmes that have undergone level assessment according to this concept are still not part of the ordinary education system, and are not subject to ministerial supervision. The level assessment was carried out in accordance with the current Accreditation Act, Consolidating Act no. 173 of 2 March 2018 and *Vejledning til niveauvurdering* (level assessment guidelines).
